

CHARITY AUCTION

SATURDAY 16TH MAY

10.00am

Yorkhill Children's Charity

Yorkhill Children's Charity sits firmly at the heart of the Royal Hospital for Sick Children in Glasgow, raising money to ensure that our young patients and their families receive the best possible care and experience. 160,000 babies, children and young people are treated at the hospital every year. Yorkhill Children's Charity sits firmly at the heart of the hospital, raising money to ensure that our young patients and their families receive the best possible care.

With your support, we can fund:

- **Enhanced medical equipment** to help our doctors, nurses and surgeons treat our children;
- **Innovative play programmes** that help to distract, teach and treat children during their stay;
- **Family support services** that care for parents, families and carers during difficult times;
- **Ground-breaking paediatric research** to help future generations of Scotland's children.

In 2015, the hospital will move from its current home at Yorkhill to a brand new children's hospital at the Southern General. We need your support to ensure that we can continue to provide world-class care for Scotland's sick children for years to come.

Enjoy the event!

Yorkhill Children's Charity is a registered charity in Scotland (SC007856).
